

# PARK RENTAL INFORMATION

The Mariners' Museum Park is the largest privately maintained park open to the public for free in America. The Park boasts 550 acres of naturally wooded areas and the 167-acre Lake Maury bordered by the five-mile Noland Trail, as well as breathtaking views of the James River and the stunning Lion's Bridge featuring the sculptures of Anna Hyatt Huntington. Selected areas of the Park are available for special event rentals. Each area has its own unique views, access to the Noland Trail, and event capacity.
